# Home Page

In the home page section, you will find all the information about who we are, our services and how the system works. You can navigate through the dashboard at the top, change the theme of the page between light and dark and you can access an account as one of the 5 different types of users that the system has (customer, operator, supervisor, admin or carrier) or register as a customer.

There is also a support section where you can use specific words as commands for a chat to answer your questions.

# How It Works

Our system provides a robust solution for managing inventory and orders, streamlining both logistical and administrative tasks. Key features include:

- Inventory Management:**

Efficient inventory tracking and management to optimize stock levels and reduce waste.
- Order Processing**

Streamlined order processing with automated validation and confirmation systems.
- Route Optimization**

Smart routing algorithms to ensure efficient delivery paths and reduced transit times.
- Security Measures**

Advanced security protocols to protect your shipments and sensitive information.
- Analytics & Reporting**

Comprehensive reporting tools for tracking performance metrics and business insights.
- Customer Support**

24/7 dedicated support team to assist with any inquiries or concerns.

# What Our Clients Say

Real feedback from real customers

# What Our Clients Say

Real feedback from real customers

“

CAFPATH has revolutionized our logistics process. Their real-time tracking and efficient order management have significantly improved our delivery times.

**Jon Jones**  
CEO of Logistics Co.

“

The transparency and reliability of CAFPATH's services have been a game-changer for our business. We can now focus on growth, knowing our logistics are in good hands.

**Marlon Wayans**  
Operations Manager at Retail Inc.

“

Thanks to CAFPATH, our inventory management is more efficient than ever. Their system has reduced our operational costs and increased productivity.

**Ángel David Revilla Lenoci**  
Supply Chain Director at Manufacturing Ltd.

# Client

In the client login you can register a new user by entering the required information:

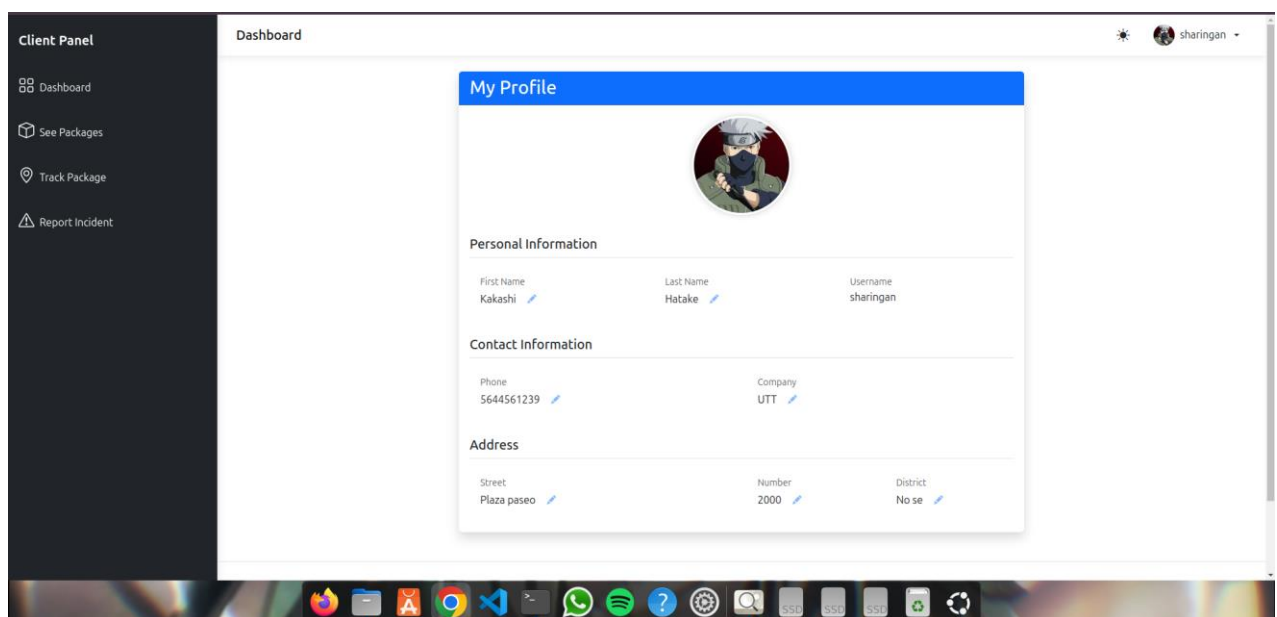

This screenshot shows a web browser window with a 'Go Back' button in the top left and a globe icon in the top right. The main content area displays a registration form titled 'Enter your personal information'. The form contains several input fields: 'Kakashi' and 'Hatake' (likely first and last names), 'Second Last Name', 'UTT', '5644561239', 'Plaza paseo', '2000', and 'No se'. A blue 'Next' button is at the bottom of the form, and a 'Back to Login' link is below it. The browser's taskbar at the bottom shows various application icons.

This screenshot shows a web browser window with a 'Go Back' button in the top left and a globe icon in the top right. The main content area displays a registration form titled 'Create an username and password'. The form has two input fields: 'sharigan' and a password field represented by asterisks. A blue 'Register' button is at the bottom of the form, and a 'Back' link is below it. The browser's taskbar at the bottom shows various application icons.

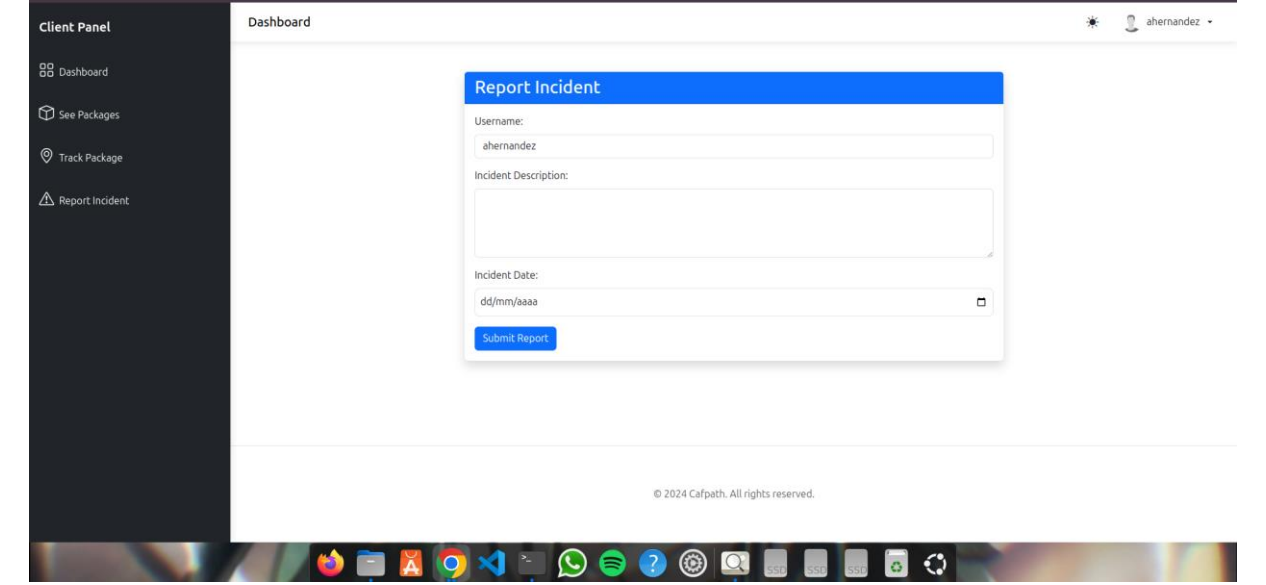

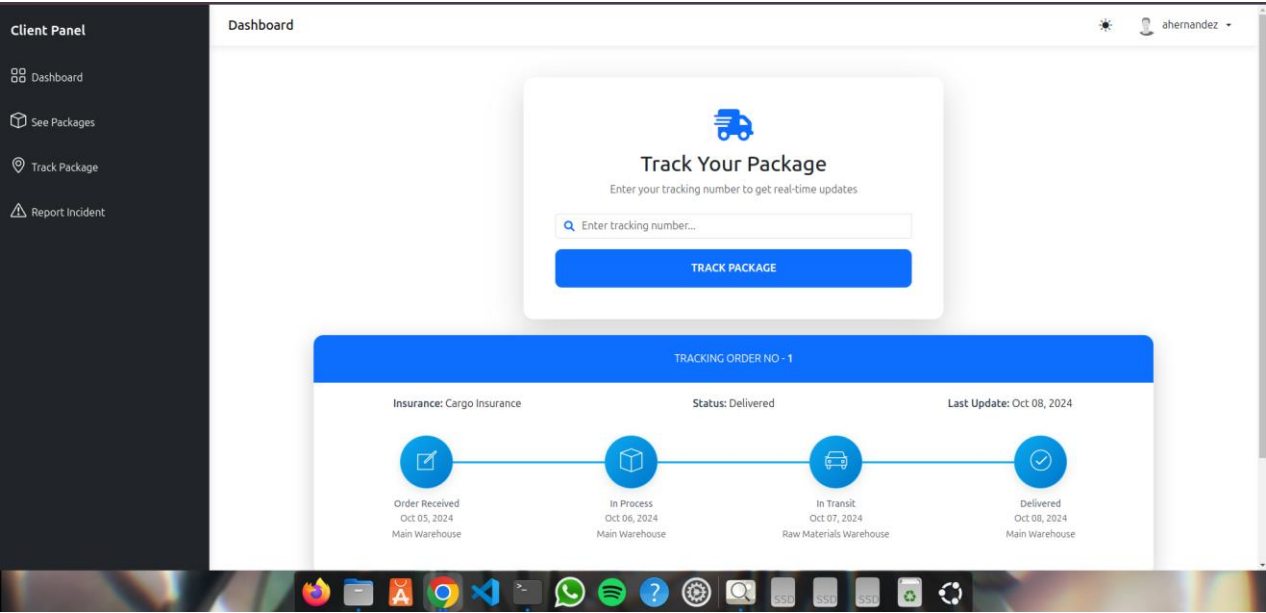

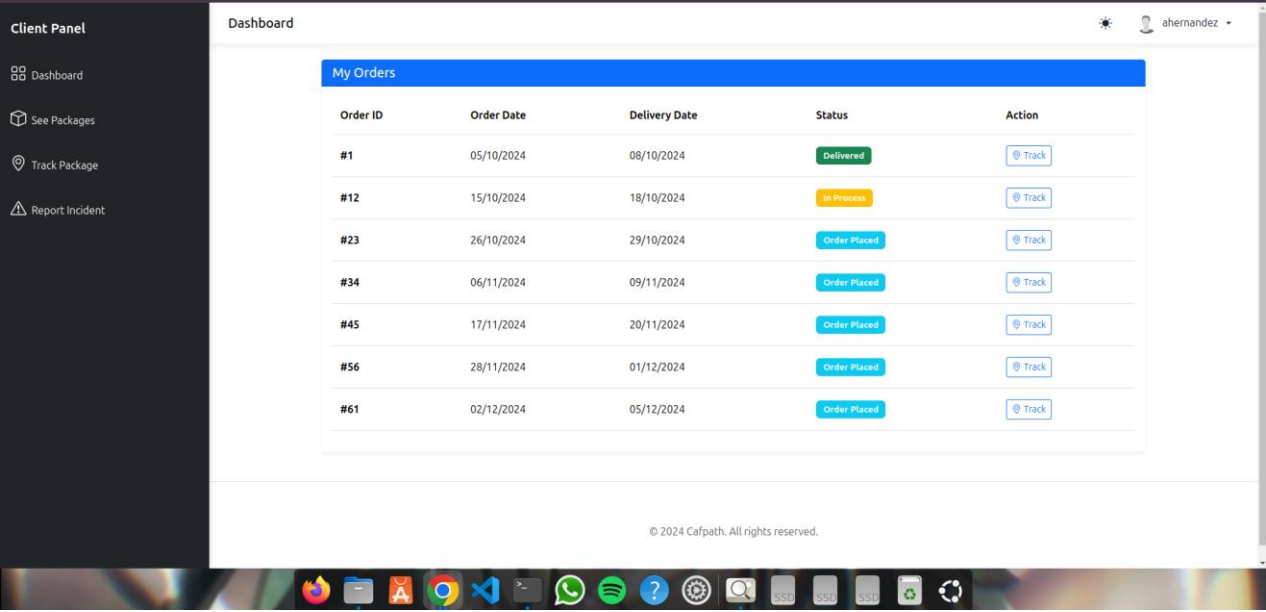

This screenshot shows a web browser window with a 'Go Back' button in the top left and a globe icon in the top right. The main content area displays a login page. On the left, there is a logo for 'CafPath' with the text 'Welcome! Please login to your account or create an account.' On the right, there is a 'LOGIN' section with a green message box that says 'Usuario registrado exitosamente. Por favor inicie sesión.' Below this, there are input fields for 'Username' and 'Password', a 'Remember me' checkbox, a blue 'Login' button, and links for 'Forgot password?' and 'Register'. The browser's taskbar at the bottom shows various application icons.

In the customer section you can review and edit your profile at the top and in the tabs on the left you can review information of interest summarized in the dashboard tab, view your orders in see packages, track your orders in track package and report a problem in report incident.

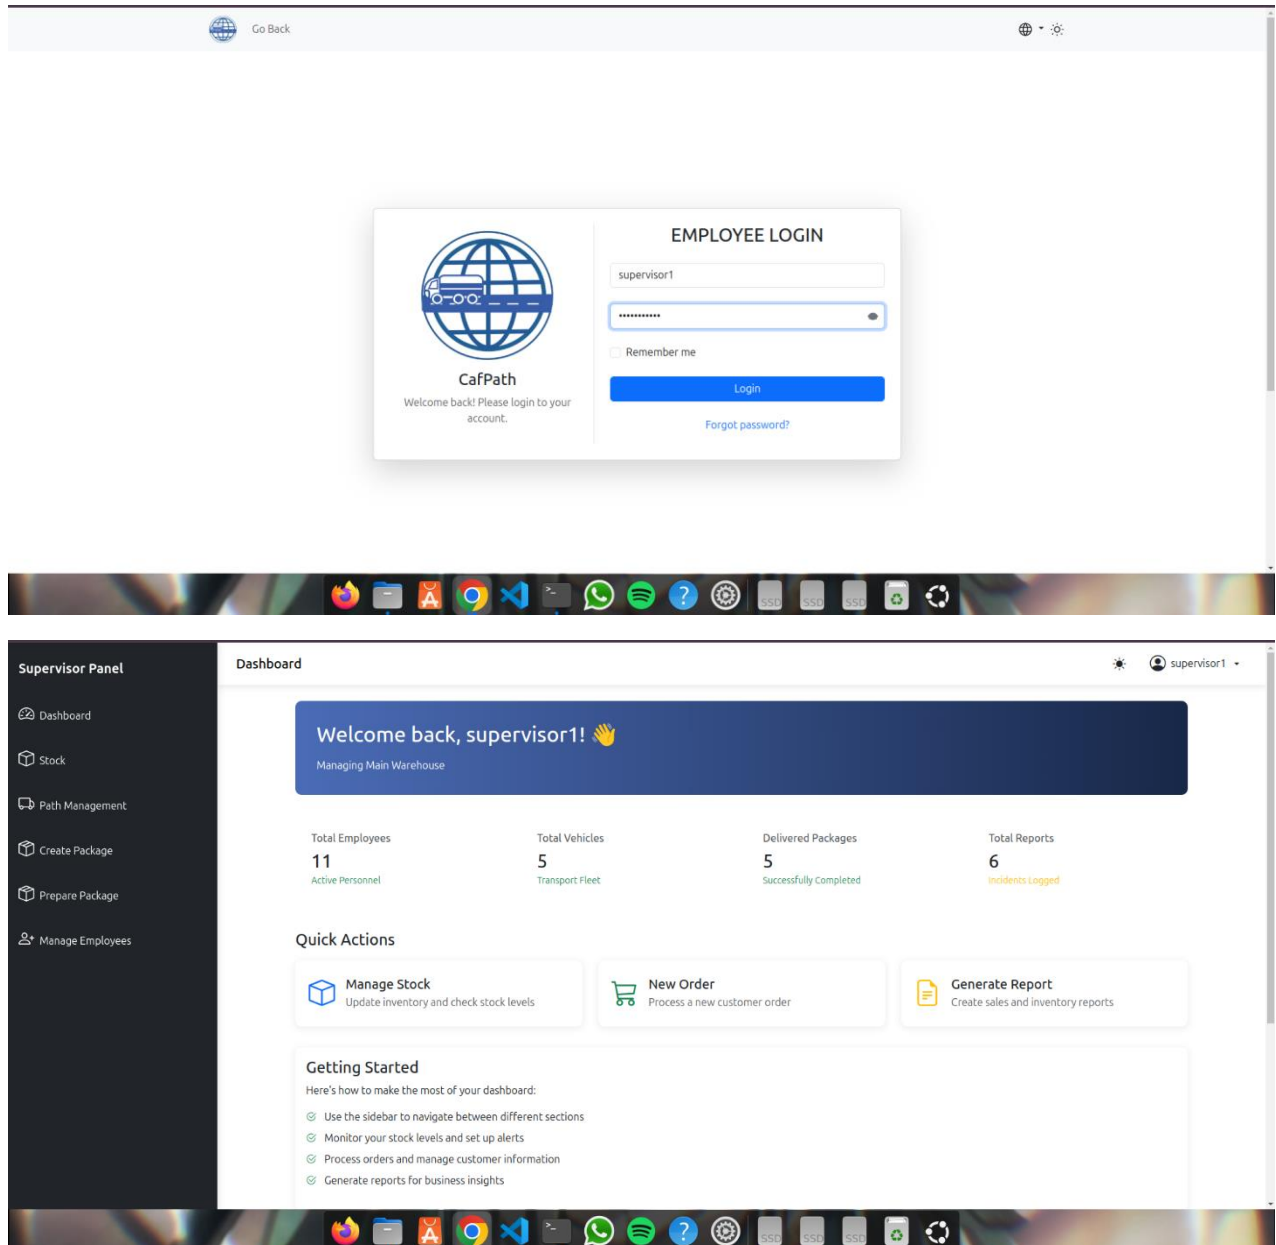

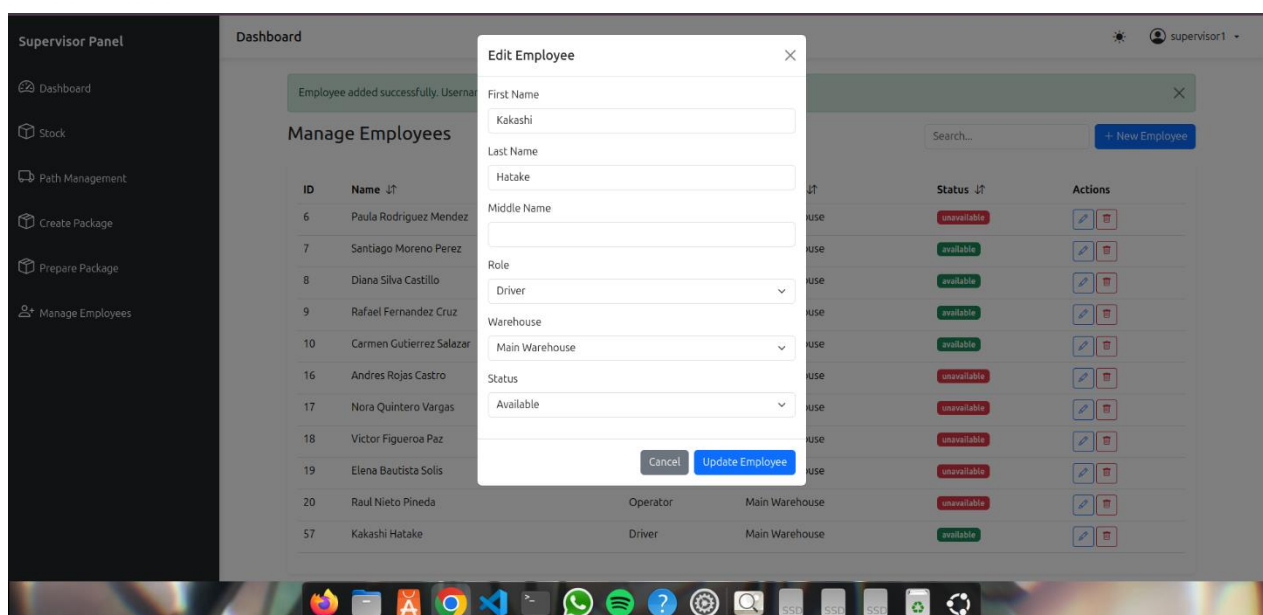

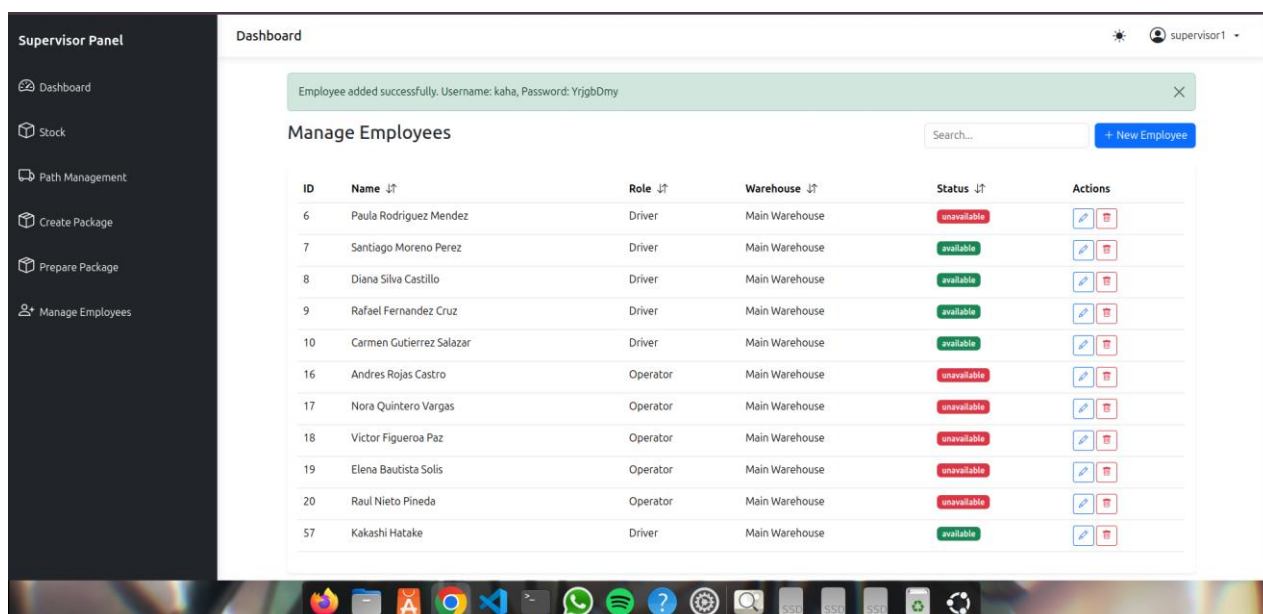

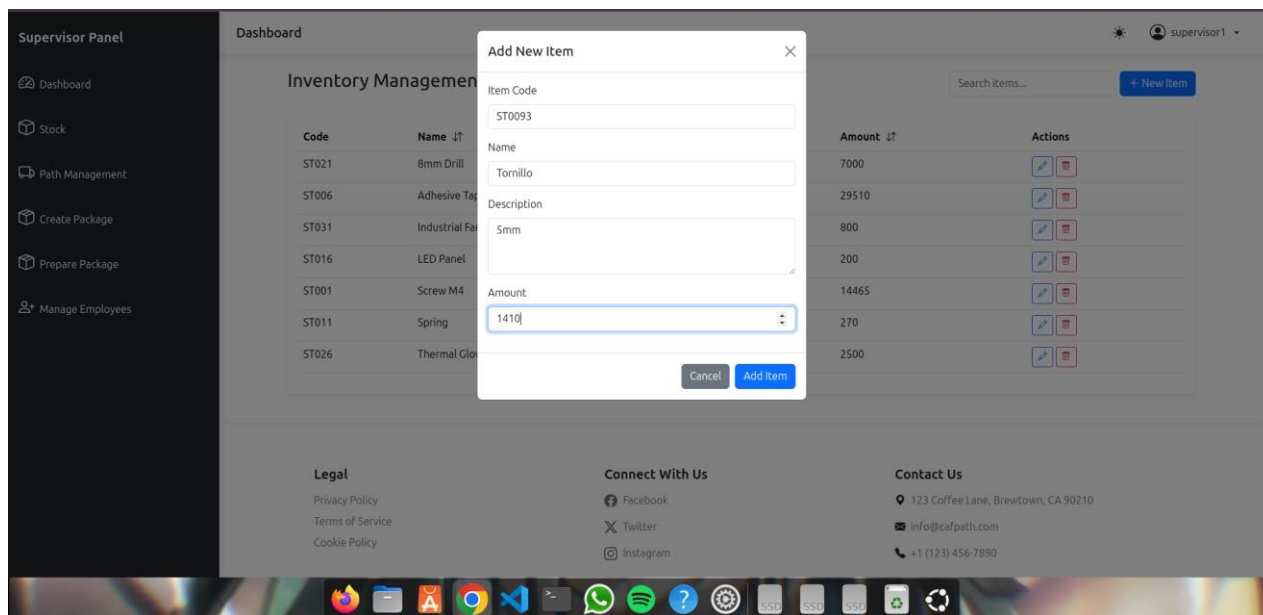

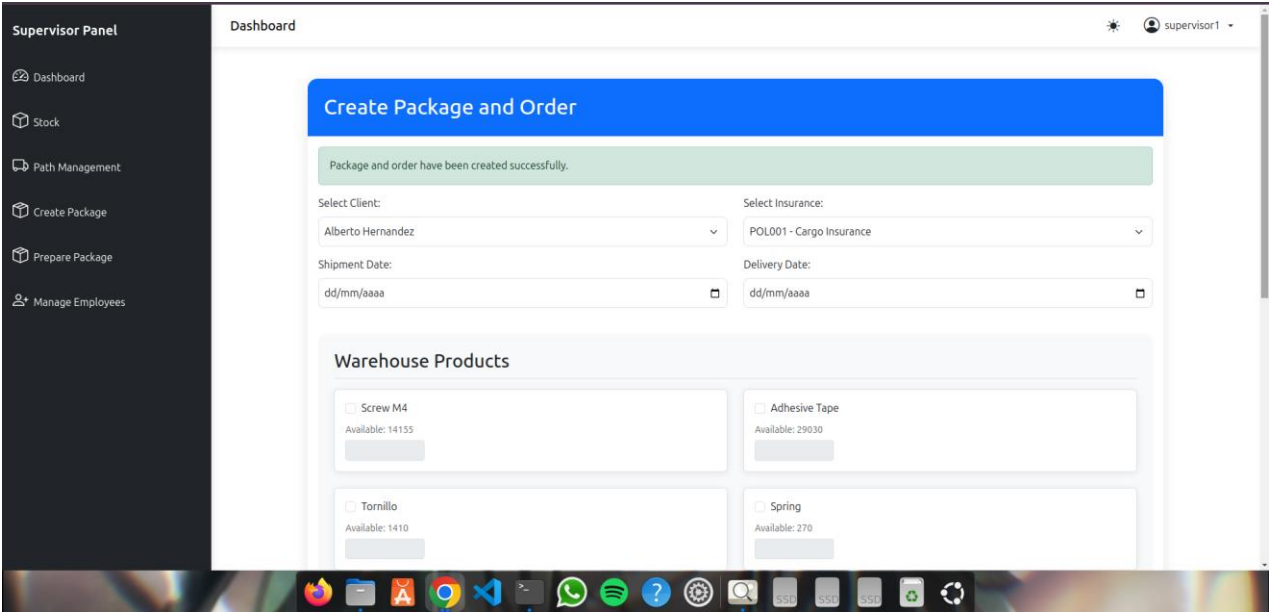

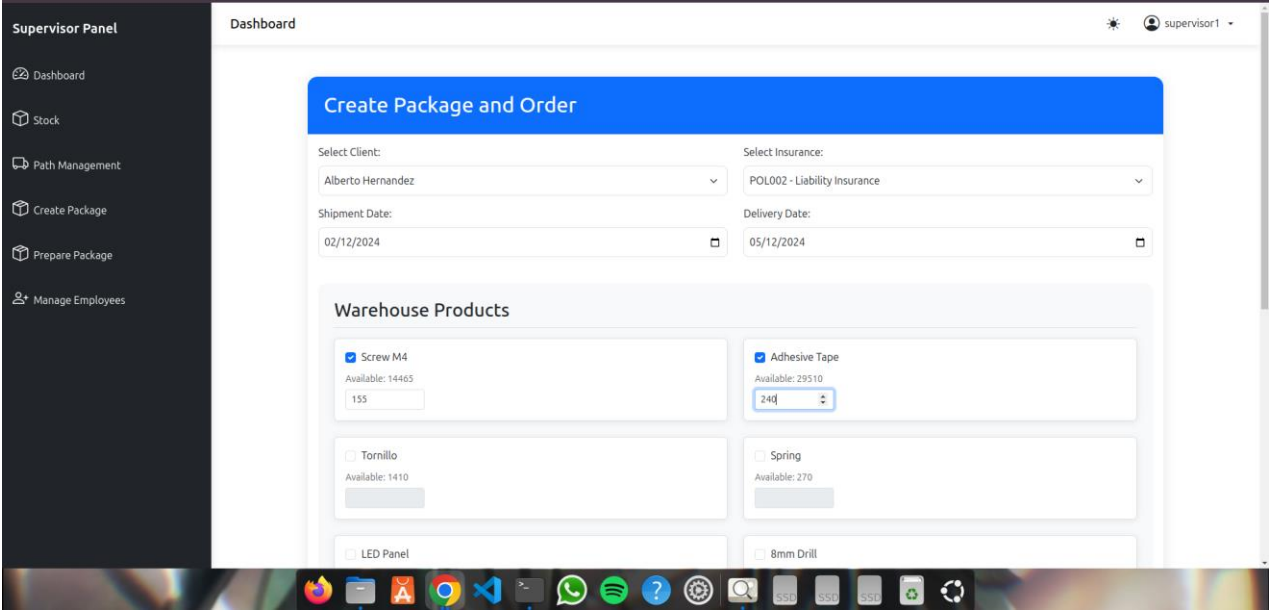

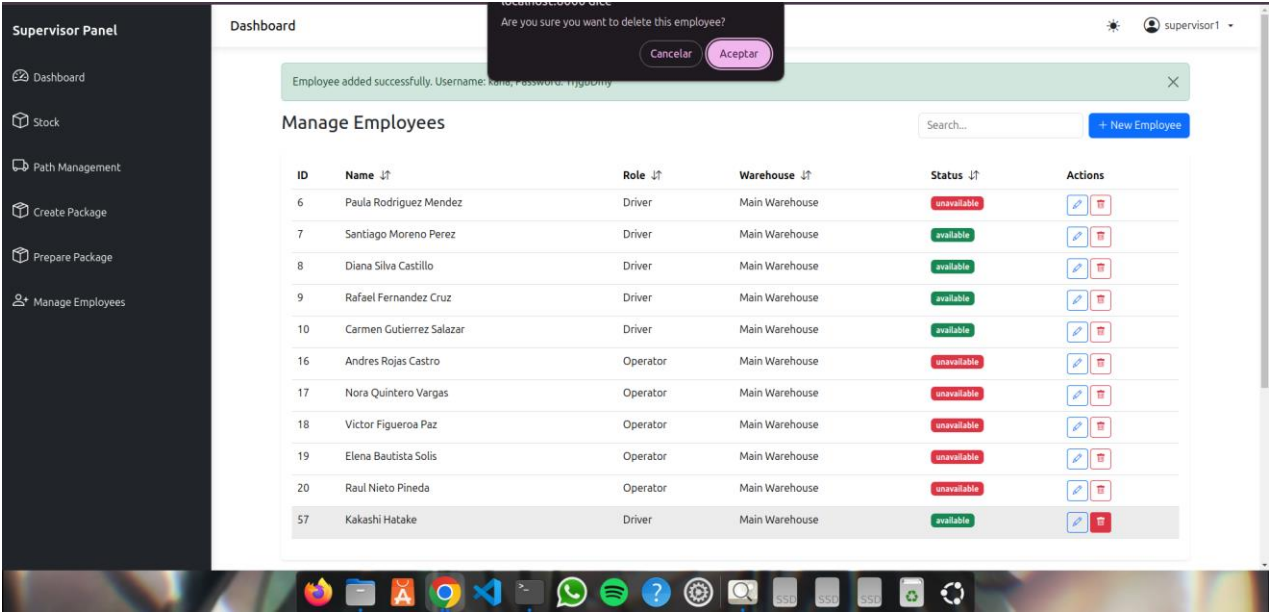

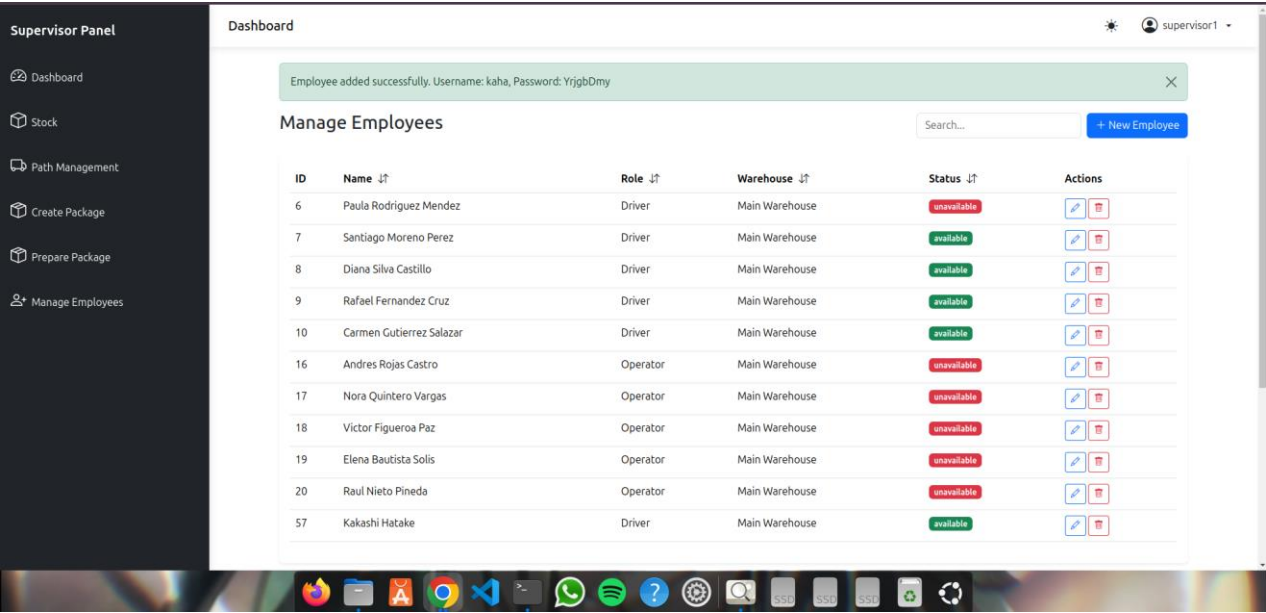

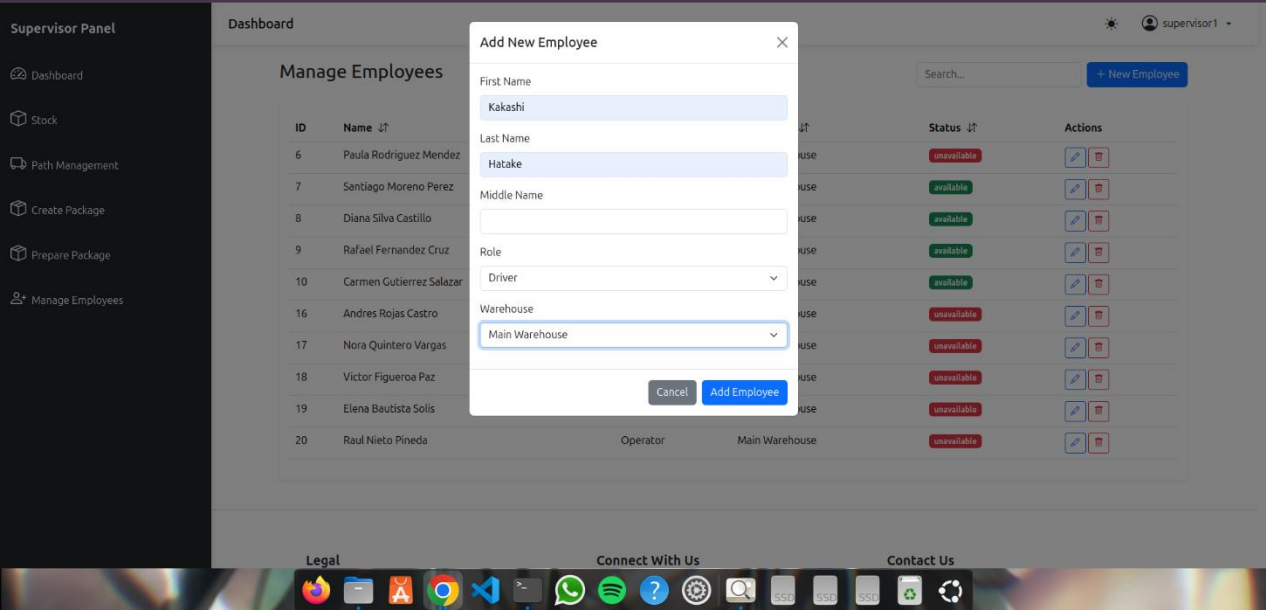

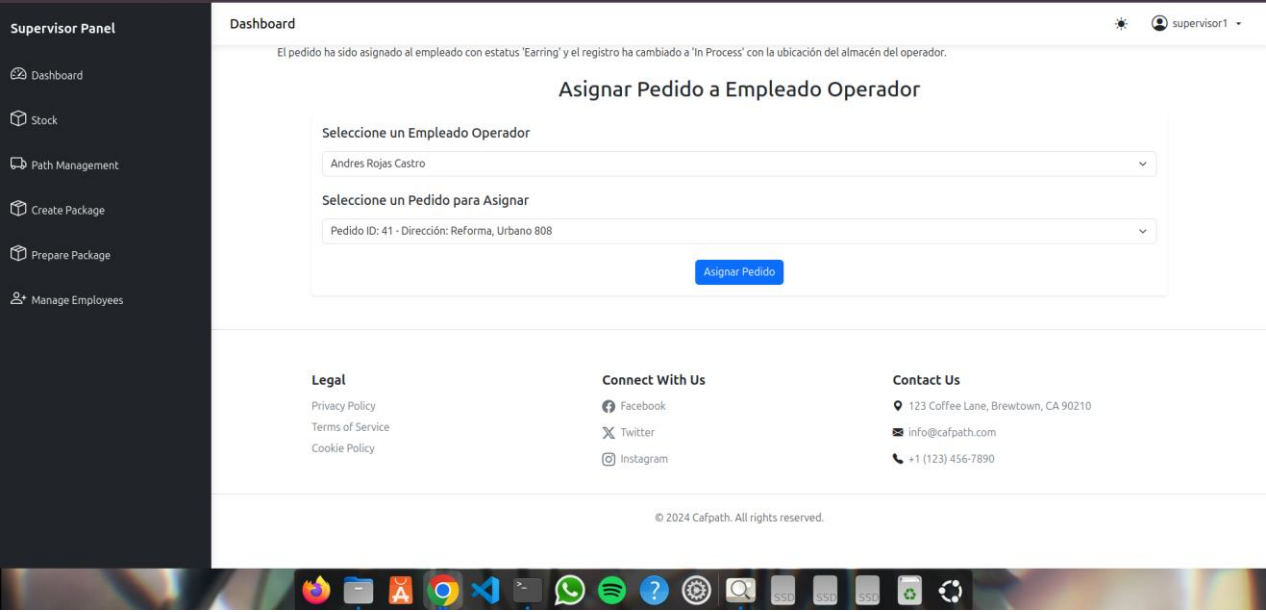

# Supervisor

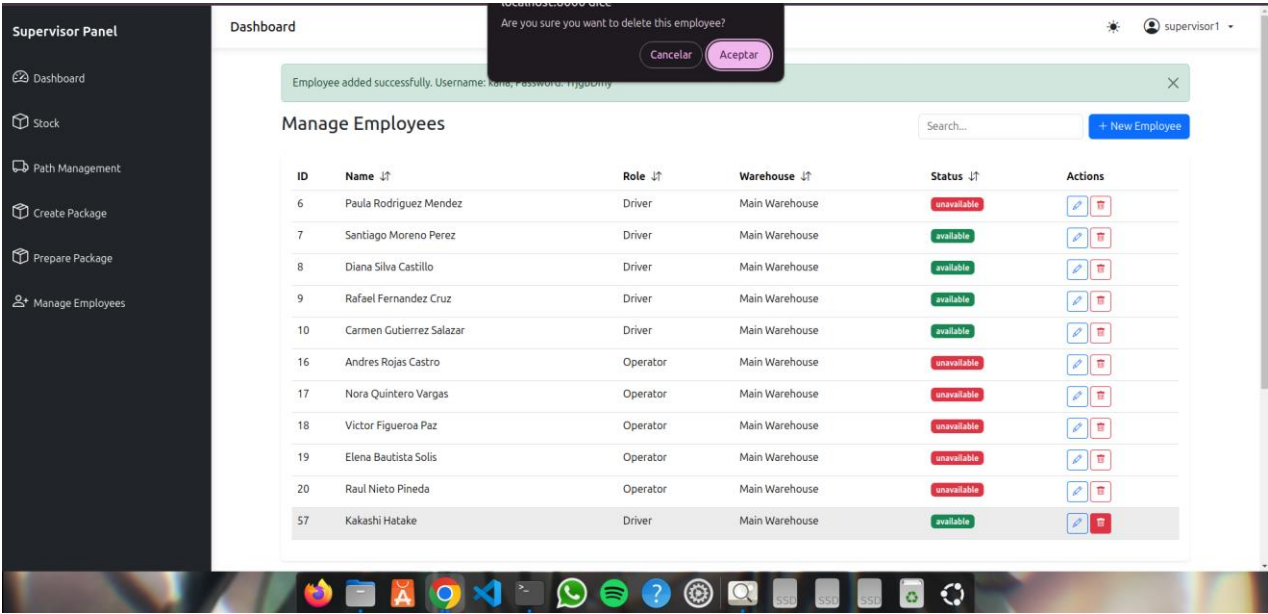

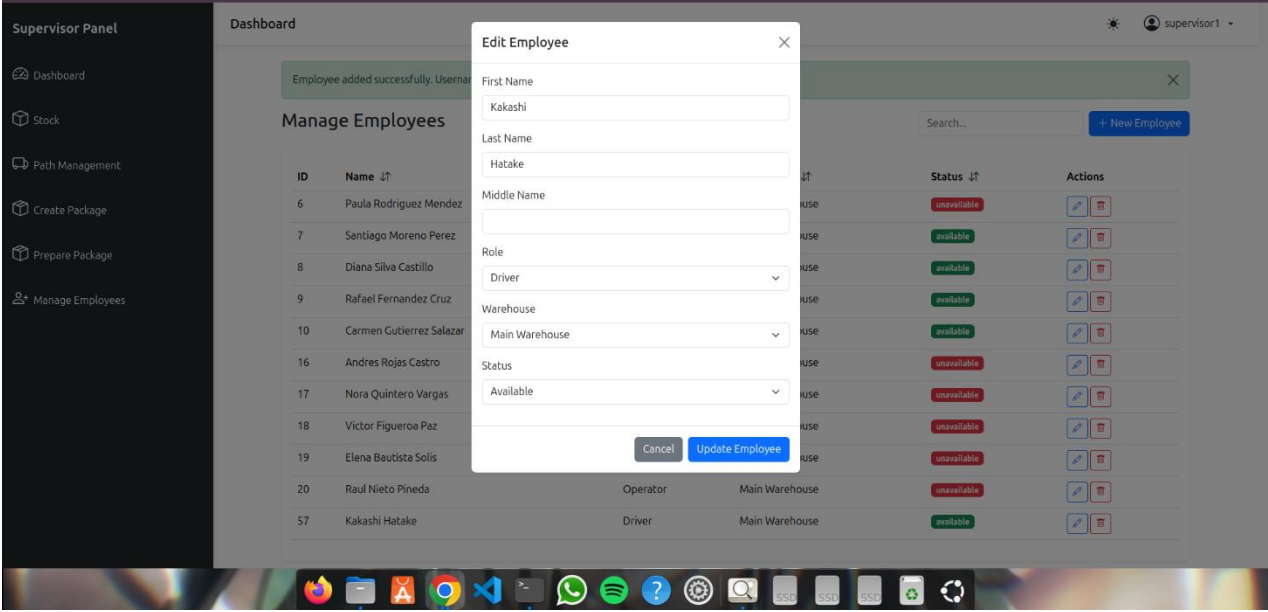

In the supervisor section you can review and edit the profile at the top and in the tabs on the left you can review information of interest of the warehouse you supervise in the dashboard tab, manage the warehouse stock, manage the warehouse routes, create a package and prepare an order, as well as edit the warehouse employees.

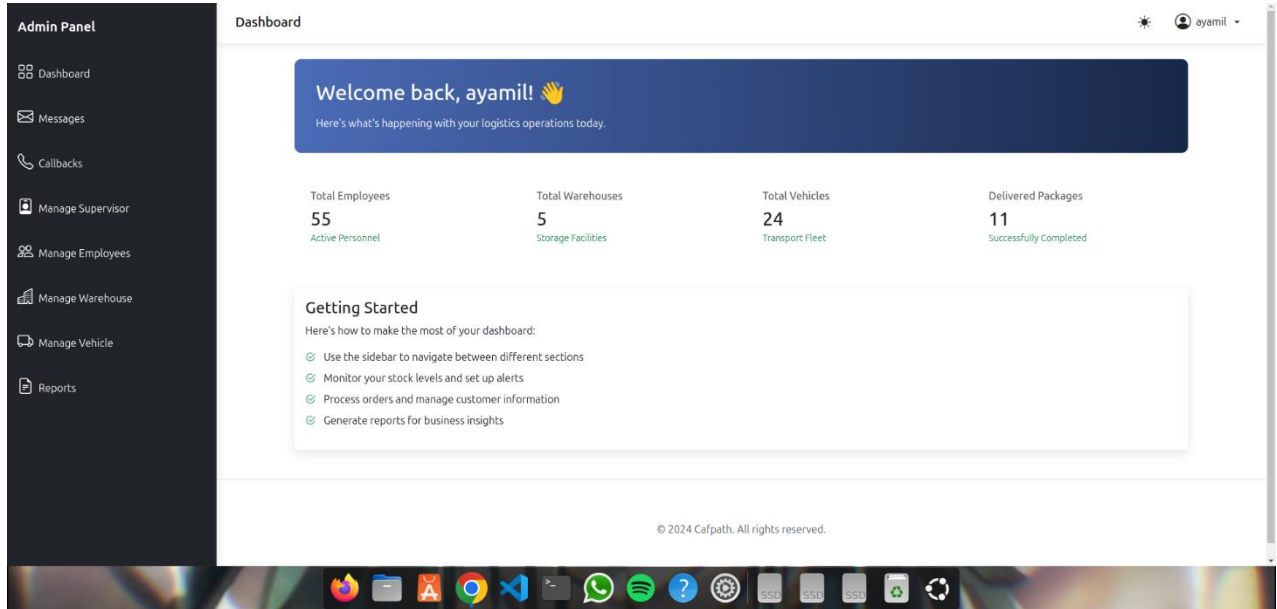

# Admin

In the admin section you can review and edit your profile and in the tabs on the left you can review information of interest in the dashboard, review and edit the status of messages received, view and respond to requests for information in callbacks, manage warehouse supervisors, manage regular employees, manage warehouses, vehicles and review reports.

The screenshot shows the Admin Dashboard interface. On the left is a dark sidebar with the 'Admin Panel' header and a list of navigation items: Dashboard, Messages, Callbacks, Manage Supervisor, Manage Employees, Manage Warehouse, Manage Vehicle, and Reports. The main content area is titled 'Dashboard' and features a welcome message 'Welcome back, ayamil!' with a hand icon. Below this is a summary of logistics operations with four key metrics: Total Employees (55 Active Personnel), Total Warehouses (5 Storage Facilities), Total Vehicles (24 Transport Fleet), and Delivered Packages (11 Successfully Completed). A 'Getting Started' section provides instructions on how to use the dashboard, including navigating the sidebar, monitoring stock levels, processing orders, and generating reports. The footer indicates '© 2024 Cafpath. All rights reserved.' and a taskbar with various application icons is visible at the bottom.

**Admin Panel**

**Dashboard**

Welcome back, ayamil! 🙌

Here's what's happening with your logistics operations today.

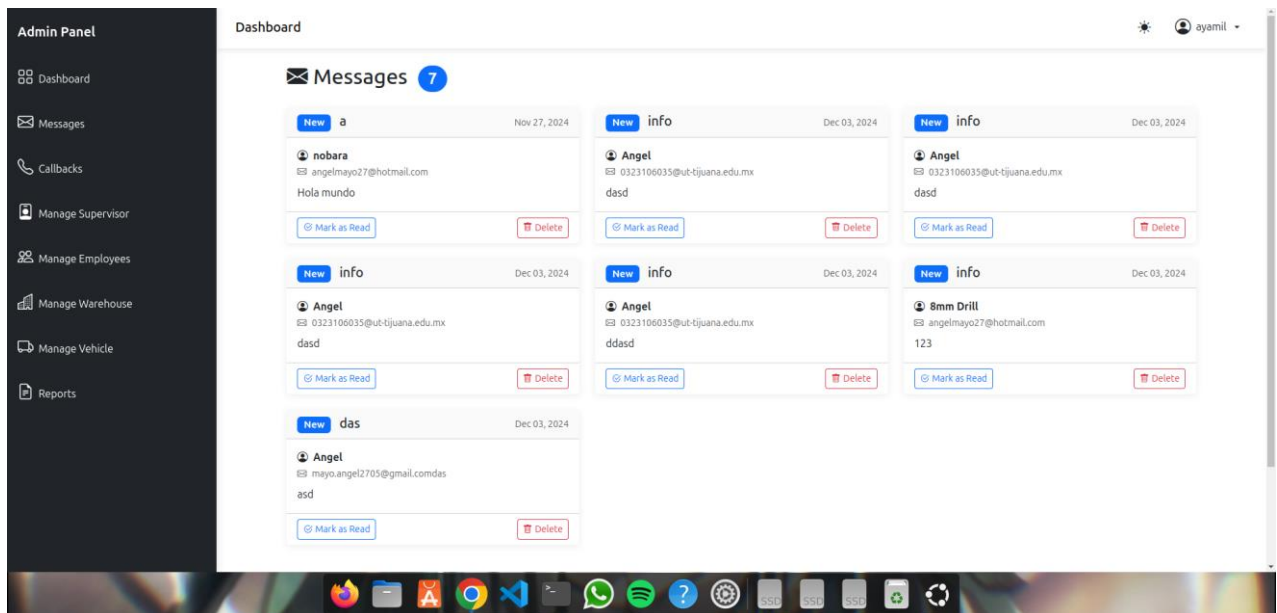

Total Employees	Total Warehouses	Total Vehicles	Delivered Packages
55 Active Personnel	5 Storage Facilities	24 Transport Fleet	11 Successfully Completed

**Getting Started**

Here's how to make the most of your dashboard:

- Use the sidebar to navigate between different sections
- Monitor your stock levels and set up alerts
- Process orders and manage customer information
- Generate reports for business insights

© 2024 Cafpath. All rights reserved.

The screenshot shows the Admin Messages section. The sidebar is identical to the dashboard view. The main content area is titled 'Messages' with a notification badge showing '7' new messages. It displays a list of messages in a grid layout. Each message card includes a 'New' status, a subject line, a date, the sender's name and email, the message content, and action buttons for 'Mark as Read' and 'Delete'. The messages are as follows:

Subject	Date	Sender	Content
a	Nov 27, 2024	nobara angelmayo27@hotmail.com	Hola mundo
info	Dec 03, 2024	Angel 0323106035@ut-tijuana.edu.mx	dasd
info	Dec 03, 2024	Angel 0323106035@ut-tijuana.edu.mx	dasd
info	Dec 03, 2024	8mm Drill angelmayo27@hotmail.com	123
das	Dec 03, 2024	Angel mayo.angel2705@gmail.com	asd

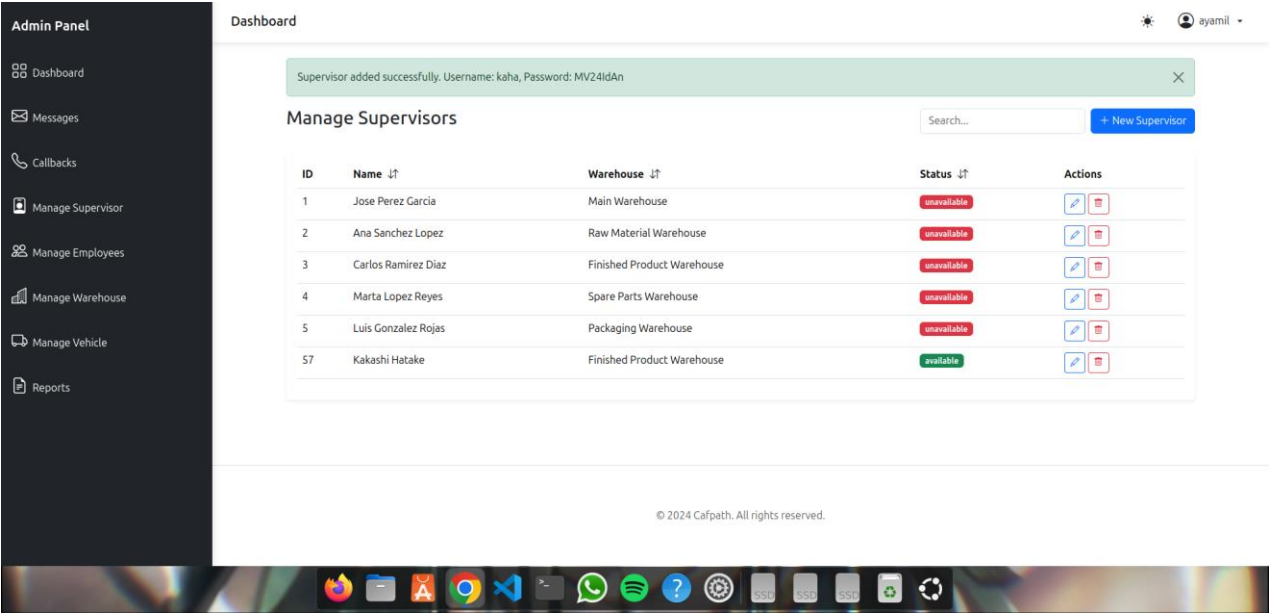

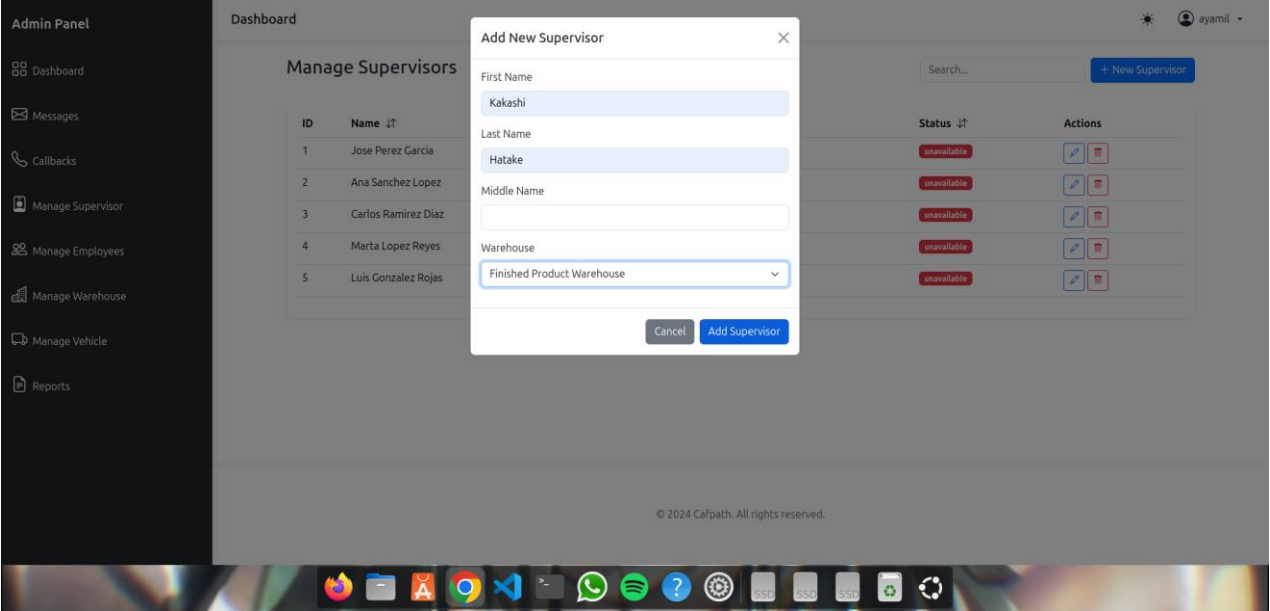

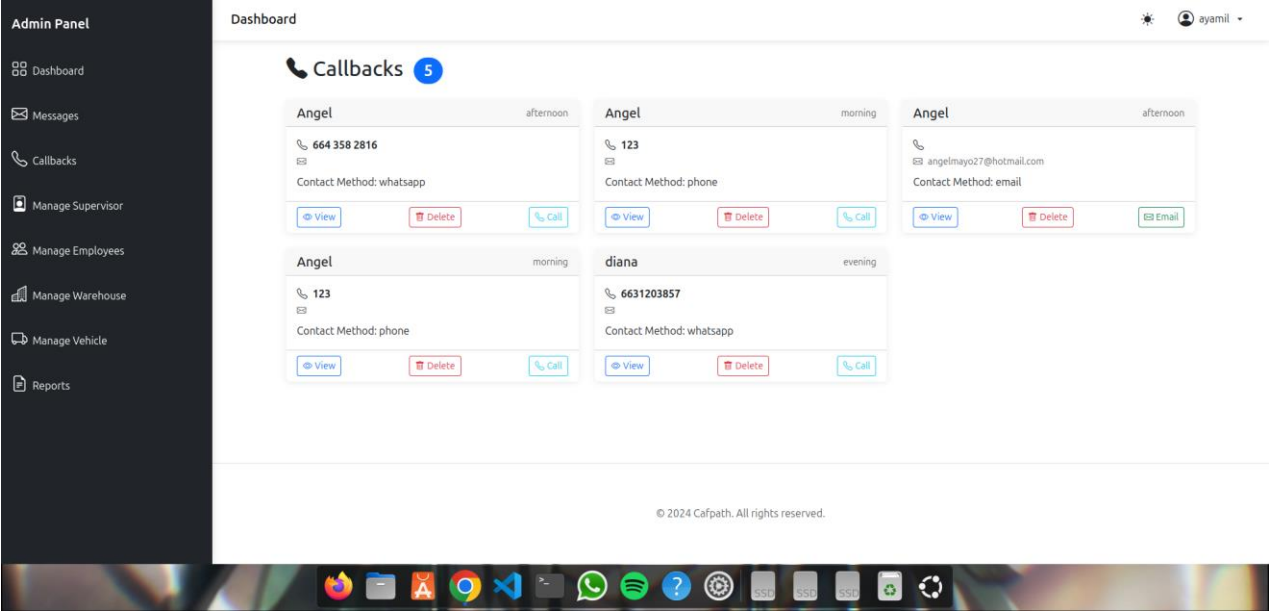

The taskbar at the bottom of the screen is also visible.

**Admin Panel**
